Jean M. MarshallLETTER RE: SEQUENCE LISTING

Sir:

This application contains disclosures of sequences subject to 37 C.F.R. 1.821 et seq.

Applicant notes two things:

1. This application claims benefit under 35 USC 120 of an application filed before July 1, 1998, and has not added new sequence matter. Thus, this application is not subject to the current sequence format rules. See 1211 O.G. 82 (June 23, 1998).
2. The computer-readable sequence listing required in this application is to be identical

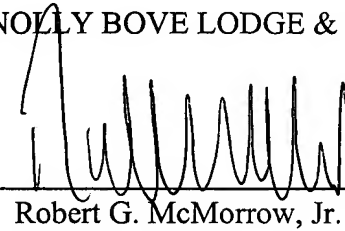

10036859 "1.2901" 10036859

to that filed in Serial No. 08/985,526 (which complied with the applicable sequence rules). Therefore, a computer-readable sequence is not being submitted herewith. It is requested that the "Sequence Listing" on file in Serial No. 08/985,526 be used in this application. 37 C.F.R. 1.821(f).

Respectfully submitted,

CONNOLLY BOVE LODGE & HUTZ LLP
